

PROFIBUS DP IP 20 Connector (90°)

Introduction

Excellent 90° PG connector for PROFIBUS DP (RS 485) connectivity in IP 20 environments.

Integrated inductors compensate the connection capacitance and small dips in the signal, which makes it a perfect connector for high speed applications.

The shielding clamps connect the shielding of the cable with the device ground.

Product features

General

- PG socket
- Switchable terminating resistor
- Baudrate: Max. 12 Mbps
- Cable diameter: 8 mm
- Connection: 4 screw terminals for wires up to 1,5 mm² (A-B in, A-B out)
- Isolation class: IP 20

Dimensions and Weight

- Dimensions (WxHxD) : 15,8 x 64 x 35,6 mm
- Weight: 40 g
